Presented by ADAMS Center

Overview

The ADAMS Center, located in Northern Virginia, is committed to serving the growing Muslim community by addressing its spiritual, social, educational, and socio-economic needs. Our mission includes offering a wide variety of educational and community-building activities for children, youth, and families. In addition, we operate a full-time health clinic and coffee shop, both open to the public.

Serving over 35,000 members through six permanent locations and seven satellite locations, we offer 11 nightly Taraweeh prayers throughout Ramadan, as well as 33 Friday sermons in the summer and 30 in the winter.

Opportunity

This Ramadan, ADAMS Center invites organizations to sponsor and connect with our vibrant community. Sponsorship provides an opportunity to raise awareness for your cause and promote your initiatives during key community events, including Taraweeh prayers, special gatherings, and more.

By becoming a sponsor, your organization will be prominently featured at these events, inspiring others to support both your mission and the community. This partnership is a chance to make a meaningful impact and help empower our shared values this blessed month.
